

*Dear Supporters,*

It's that time of the year again where we sharpen our pencils, focus our minds, and open our hearts as we enter schools to help our youth excel in education, character, and athletics. Because of the overwhelming support we received at our annual fundraiser last year, we've been very fortunate to expand our programs. In fact, we've doubled student participation since the establishment of the Foundation. Our goal is to expand our programs to schools and students across all regions of the Houston area. We want to make a difference in thousands of young lives so students everywhere can experience personal and direct interaction on how they can create success through education and character.

So I'm asking you to be our special guest on Sunday, June 27, 2010 at our 4th Annual Follow Me to the Stars Dinner to partner with us on our mission. There, you will see the difference that we're making in many under-privileged children's lives. Along with supporting the cause, you'll have an opportunity to dine and socialize with some of the nation's most elite athletes. It's a unique experience here in Houston that you don't want to miss!

Your partnership as a table sponsor generously supports our programs. Your donation of \$2,000 will grant you an exclusive evening consisting of:

- A table for six (6) guests to enjoy a superior dining experience at The Oceanaire Seafood Room
- Your company logo recognized as a Sponsor of the Moran Norris Foundation
- A chance to be "up close and personal" with at least one NFL athlete at your table.

I look forward to seeing you this summer. Thank you for your continued support.
