

*Dear Supporter,*

This year has been very rewarding to the beneficiaries of our programs. As a result of last year's efforts, much has been astir in the community and local schools about what we do. And this year, we certainly wanted to measure up and surpass previous year's involvement in our schools and success of our youth.

I thank you for your enduring support as you've followed us to make tremendous differences in many lives. We were able to continue our phenomenal Shopping for *Good Character Program* where 100 students were rewarded with a shopping spree for demonstrating good character. We've also unveiled our scholarship program, *Follow Your Dream*, and have been commended for helping to fulfill the financial gap for deserving students to attend a higher education institution. In addition to these programs, we had a wonderful experience with Special Olympics during this past football season, as several participants attended all home games of the San Francisco 49ers. We look forward to continuing our football camp within the coming year at a state of the art facility in The Woodlands, TX where youth will participate in indoor and outdoor drills.

Our improvements and expansions have been possible because of your support. We want your partnership again this year. So follow us to Hotel ZaZa, Sunday, June 26th, to celebrate our ongoing success and to continue our commitment to education, character, and athletics. Your ticket will allow you to enjoy great food and entertainment for a great cause. Our line up of special guests this year will be like none other. Your company, organization, or a group of friends can enjoy a table of your own and be in the company of one of the best that the world of sports has to offer.
